Attn: Jarrod Fisk, President

Dear Jarrod,

I wanted to congratulate you and your entire team over at Solaire Energy Systems on an outstanding 2<sup>nd</sup> Quarter of 2011 (April-June). Solaire finished as the number one dealer in San Diego County for sales and shipments of SunPower product. That is quite an accomplishment for your entire team! Not only did Solaire finish #1 in sales and shipments, but your Customers Satisfaction Scores were a perfect 100 for the quarter.

Thank you very much for your business and for the job you do representing SunPower. The entire team at Solaire from sales, operations, installation and administration are a pleasure to work with and both myself and the entire SunPower team would like to thank you for being such a great partner. I look forward to being able to promote Solaire Energy Systems to a Premier dealer in Q3 2011. Keep up the great work!.

Regards,
